

Benefits of Conference Registration

All non-members registering for the conference will receive one full year (2010) membership in the NCBC. Each facility/site will also receive membership. Individuals will receive a certificate of membership and full membership benefits. Sites will be listed on the internet with contact information, a descriptive paragraph, a picture and a list of patient services provided by the facility.

Evening Networking

for individuals attending the conference alone or wanting to meet peers from around the country

Last year the Evening Networking Program met with huge success! If you are attending the conference without your co-workers, friends or significant others and would like to experience what Vegas has to offer, but not alone, this is the group to join! This year Julie Susi from Mercy Hospital in Portland, Maine will bring together conference attendees who will be attending by themselves or want to meet peers from around the country. Julie plans to organize individuals into small networking groups to enjoy Las Vegas in the evenings after the day-long conference. If you are attending the conference alone and would like to network with a group of fellow peers contact Julie Susi at susij@mercyme.com or call the NCBC office at 574-267-8058 and let her know your arrival date and time. Based upon your arrival information, you will be invited to a meeting to organize and break off into groups according to interests, i.e. dancing, exercise, dinner, shows, gambling, shopping, etc.

It's a sure way to network and have lots of fun!!!
