

## **COMPANY OVERVIEW**

Come grow with us!

Vista Health System is a network of two hospitals (located on the north shore of Lake Michigan), and numerous outpatient and physician practice locations throughout Lake County. With plans to build a 3<sup>rd</sup> Hospital in Lindenhurst, IL, our vision is to provide the highest quality healthcare for Lake County, IL and Southern Wisconsin. Although our system has grown over time, our hospitals have been part of Lake County, IL for almost 100 years. Please visit our website for more information about our growth and progress at [www.vistahealth.com](http://www.vistahealth.com).
