Providence is calling a Manager Comprehensive Breast Center.

We are seeking an experienced healthcare leader to manage the 24-hour operations of the world-class Comprehensive Breast Center in Everett, WA. The position is responsible for marketing to achieve growth, meeting or exceeding financial goals, managing customer satisfaction, upholding high operational standards, and performing community outreach. The top candidate will have a knowledge of diagnostic services (particularly mammography), all relevant regulations, outpatient operations, and full-spectrum breast center programs.

Position Specifics:

This full-time, exempt position is located in Everett, WA at the Providence Regional Medical Center Everett Comprehensive Breast Center. This facility offers award-winning care including digital mammography, has breast imaging radiologists for the most accurate diagnoses, offers leading-edge technology & treatment, and is certified by the American College of Radiology as a Breast Imaging Center of Excellence.

Located 25 miles north of Seattle, Everett sits on the island-scattered Puget Sound. Ferries and fishing boats ply the Sound while the peaks of the Olympic and Cascade Mountains serve as statuesque beacons.

Requirements:

Education: Bachelor's degree in Nursing or Healthcare field required; Master's degree preferred

Licenses/Certifications: RT, RTM or RN; BLS/ACLS upon hire

Experience: Responsible for resource management, customer relations, quality, and operational standards. Training in LEAN or Six Sigma a plus.
