

BREAST HEALTH NAVIGATOR
Conway Medical Center
Conway, SC

A private, not-for-profit hospital, Conway Medical Center began in downtown Conway, SC approximately 60 years ago with 6 physicians on staff. Today, the hospital has grown to a 210 bed facility with a medical staff of more than 200, representing many specialties and sub-specialties. As one of the county's largest employers, CMC employs approximately 1400 people.

Conway Medical Center offers challenging professional opportunities in an oceanfront resort environment. So why not bring your skills to the South Carolina Grand Strand?

Must be a Registered Nurse or a licensed professional in the Radiology discipline. Bachelor's degree in health related field and 2 years experience as a Patient Navigator or Breast Health Program Coordinator strongly preferred. This position requires a thorough knowledge of the health care system beyond the hospital. The ideal candidate will be a proven self starter with excellent interpersonal and problem solving skills. Must be compassionate, diplomatic and patient. Exceptional oral and written communication skills and a demonstrated ability for critical thinking needed. The ability to work with diverse personalities and situations as well and the ability to remain composed in stressful and emotional situations essential. This is a full time position with a comprehensive benefits package.

If interested please send resumes to Conway Medical Center (Attn: Debra Shortt), P.O. Box 829 Conway, SC 29528. You may also email them to dshortt@cmc-sc.com or fax to 843-347-8181. To apply online please visit our website at Conwaymedicalcenter.com. Phone: 843-347-8336.
